Calling All Volunteers

By Mindy Brudereck

Have you ever considered volunteering for your profession on a national level?

The American Board of Audiology is currently holding its annual drive for committee and task force members. Volunteer to share ideas, propose solutions, and assist in strategies that will continue to advance the profession of audiology.

Committees with Open Positions

Annual Meet & Greet Task Force

This committee pairs those who are ABA board certified with a

student, creating a great opportunity for students to spend quality time with a professional in the field. Held each year in conjunction with AudiologyNOW!, it is a popular mentoring event.

Continuing Education Committee

Assists the Board of Governors in formulating and instituting continuing education policies and programs.

Fundraising Committee

Obtains donations and solicits funding to design, develop, and promote ABA initiatives selected by the ABA Board.

Mindy Brudereck, AuD

Board of Governors, American Board of Audiology

Hails from: Born and raised in Sinking Spring, PA; Currently resides in Wyomissing, PA

Year Certified: 2006

Degree: AuD, Salus University; MS, Towson University

What I Do for the ABA: I was the chair of Meet and Greet at AudiologyNOW! 2011, and I also serve on the Nominations Committee and the National Exam Task Force.

In My Free Time: I'm an audiologist, business owner, professor, and, most importantly, mom to Will, 6, and Maggie, 3. I am president-elect of the PA Academy of Audiology and chair of the PAA Convention. I also try to fit in running and sleeping.

Quote to Live by: "Go confidently in the direction of your dreams. Live the life you have imagined." —Henry David Thoreau

Marketing Committee

Conceptualizes effective strategies to promote the development, expansion, and recognition of the audiological profession and ABA.

Pediatric Audiology Specialty Certification (PASC) Committee

Provides oversight to the development and administration of the Pediatric Audiology Specialty Certification, and assures the credential meets high standards of ethical and professional practice for the audiological industry. The newest ABA specialty certification, the PASC credential attests to an audiologist's expertise in pediatrics. 

Mindy Brudereck, AuD, is a co-owner of Berks Hearing Professionals, in Elverson, PA, and a member of the ABA Board of Governors.

Welcome

The American Board of Audiology would like to welcome the new managing director, Torryn P. Brazell, CMP, CAE. Torryn joined our team in February 2011, and we are all looking forward to the enthusiasm and expertise she will bring to the position. The Board of Governors would also like to extend a much-deserved thank you to Keri Murphy, ABA certification manager, for "standing in the gap."

Antony Joseph, AuD, PhD, Chair of the ABA Board of Governors, speaks to the General Assembly.

Mindy Brudereck, AuD, ABA Board Member, makes notes during the ABA Board of Governors meeting.

Student and Jim Beauchamp at the ABA Meet & Greet.
